RENZ JOHN ISAAC P. FELIPE

Pasay City, Metro Manila | +639-948-715-952 | feliperenz22@gmail.com
Portfolio: frenz22.github.io/Portfolio | GitHub: github.com/Frenz22

PROFESSIONAL SUMMARY

IT graduate (Cum Laude) with internship experience in software development, ERP customization, and technical support. Proficient in Python, JavaScript, and PHP, with hands-on experience building and deploying full-stack web applications. Detail-oriented and quick to learn new tools in fast-paced environments.

EXPERIENCE

Developer Intern | *Filmetric Corporations, Quezon City* Aug. 2024 – Dec. 2024

- Developed and customized Odoo ERP modules to support HR processes and business requirements, improving workflow efficiency.
- Diagnosed and resolved system issues through hands-on troubleshooting, reducing recurring errors.
- Tested and debugged features prior to release; deployed and updated modules in the live environment while maintaining system stability and uptime.

IT Intern | *Makati High School, Taguig* Feb. 2024 – May 2024

- Installed and configured computer systems and networks to support school operations.
- Delivered technical support to students and staff, resolving hardware and software issues.
- Reformatted and reconfigured thin clients and system units to restore devices to working condition.

PROJECTS

Job Tracker – Job Application Dashboard Source | Live

- Built a Kanban-style job application dashboard with authentication, status tracking, notes, interviews, and application history.
- Tech: Flask, MongoDB Atlas, Jinja2, deployed on Vercel.

HR Management System (HRMS) Source | Live

Note: *The live application may take a few moments to load on the initial visit. Thank you for your patience!*

- Developed a full-stack HRMS with separate employee, HR, and administrator portals and role-based access control.
- Implemented employee and document management, attendance tracking with corrections and audit history, leave and department management, notifications, Excel import/export, PDF reports, and salary structure configuration.
- Tech: React, Node.js, Express.js, PostgreSQL, Tailwind CSS.

SKILLS

Languages: Python, JavaScript, PHP, HTML, CSS, XML
Frameworks & Tools: Odoo, Flask, Express.js, React, Node.js, Socket.IO, Jinja2, Gunicorn, Git, GitHub
Databases: PostgreSQL, MySQL, MongoDB
Deployment: Vercel, Render, Neon
Technical Support: Network cabling, hardware troubleshooting (system units, routers, thin clients), system configuration

EDUCATION

BSIT(Bachelor of Science in Information Technology) (Cum Laude) | Rizal Technological University 2021 – 2025
Senior High School, STEM Strand | Sta. Clara Parish School, Pasay City 2018 – 2020
